Subbing....

Vice president Dave Nelsen ably filled in for Pres. Dan last week. In the tradition that Dan has set, Dave presented a short

description of what "Memorial Day" is and what it means. That is always a good reminder for each of us every year. Thanks, Dave.

Austin Reminds us that we will be moved to the Hilton (or RST Area Foundation Office June 22. We will let all know well ahead of time!

Rochester Area Foundation

Amalie Frankel, exec.
Director of the
Foundation, was our
speaker last week. We
appreciated her ability to
step in for Steve

Borchardt who was scheduled to speak to us regarding 'affordable housing' needs in Rochester. Amalie works with Steve on some projects, so it was a good fit. She explained to us how their goal is the 'gathering' of smaller legacies into a larger pot in order to invest in higher returning investments. It is a 'pooling' of smaller legacies. They, in turn have profits that are dispensed to non-profits that they choose with the assistance of the investor who place the legacy with the RAF. Last year they were able to dole out \$1.6 million in the community. One of their recipients is in the area of affordable housing. For details, don't hesitate to call the Foundation office.

Amalie told us they are now in their own office building on N. Broadway for the first time. It is the old Pro-ex building at Elton Hills and N. Broadway. They have a handy large meeting room on the second floor. She has invited us to come and size it up for a potential permanent meeting place. There are a couple of businesses close that are willing to work out some kind of catering for the right situation. Our committee is exploring the possibilities. The big PLUS is, there is FREE PARKING!

We will keep the club posted on the possibilities. Our committee is searching hard for a change of venue for our meetings. The difficulty of finding affordable parking downtown is getting more of a problem.
