Students of the Month

Braden Neumann was the 4 H representative of the month. He is a student at Century High School. He is a junior with a strong interest in raising and showing Rabbits. He felt that being chosen student of the month would be an honor that he has worked hard to receive.

He is the son of James and Melissa Neumann.

To confuse the issue, we have a second Braeden this week. This time Braeden (spelled differently) Greseth, student at Mayo High School. He was nominated by the Math Dept. Braeden is son of

Rebecca and Brett Greseth. He was chosen for his outstanding involvement in activities at Mayo. (continued on page 3

Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time. (continued from page 1) Braedon Greseth.

He is also an academic high achiever. Braeden plays basketball and football for Mayo and he has earned Big 9 Scholar Athletic honors. He plans to attend the University of Minnesota-Twin Cities after graduation.

Lastly, we have Hannah Wendorff, daughter of Elizabeth and Jerome Wendorff. Apparently Hannah loves Spanish. The language department nominated her for this month's Student of the Month

award from Lourdes High School. She has achieved the highest grade in her AP Spanish class. She has a genuine spirit that flows into her school work, and her leadership at school.

She has been active in the Eagle Online Newspaper, Habitat for Humanity, track and field, SADD and Franciscan Friends.

Her plans are to attend St. Olaf College and study Economics while continuing with Spanish.

Hannah is a member of the National Honors Society, National Merit Commended, Habitat for Humanity Club co-leader and the Eagle Online Editor.

Pizza Ranch work night was a big success. Austin J. reports that we may have gotten \$460 or more when he counts tips and percentage of sales. They were extremely busy and no casualties except for Colleen's slip coming through the kitchen door. It sounds like no permanent damage. Hockey Recognition Night: Tues. March 27 5:30 at Cambria on S. Broadway. Social Spoiler Alert! This did not occur since Cambria announced that they would not be a major sponsor next year. Stay tuned.

Our Club Jester, Dan Moore, turned 92 this past week. We all wish him a most 'Happy Birthday'.

Club Meeting as a Whole:

- A request was made, seconded and approved to send \$250 to the YMCA to support their annual Fund raising to support their youth programs.
- A request for \$100 from local Charter School. It is apparently a school founded to support autistic children. Motion to approve was denied until more information and perhaps a program.
- Paul Austinson would like it clear to the schools that the Students of the Month can be a senior or lesser grade.

- Mary Tompkins and Linda Hull have agreed to be co-presidents of the club next year. We appreciate their willingness to do that. This type of arrangement seems to be working for most of us. So, feel free to let the presidents know when and if you are willing to take on a year in a leadership office.
- The Pancake Breakfast is in full operation with Del Lawson leading the food procurement, location and tickets, and Charlie leading in the ticket sales. Both have done a Yeoman's job for many years. We all remember their dedication and work. We'll try to provide the help you need to pull off the event the first Saturday in May. It was suggested that we get Key Club help again and that reminders be sent calls to anyone who has signed up.
- We all need to say a special Thanks to Dick Weltzin who has taken care of Student of Month and Scholarship selection for several years. It is one of those jobs that need constant attention for most of the year and then gets little recognition. We really appreciate your work and time, Dick!

Finally I understand why cars have these things...
