KIWANIS CLUB OF  
ROCHESTER, Rochester, MN

November 22, 2021

List of programs will follow in a later issue,  
(I Hope!)

**No meeting this week, Holiday.**  
**Have a blessed Thanksgiving!**

Only one of the Students of the Month, Erik Waldbillig from Lourdes, was present for the presentation of his certificate and plant for his

mother. He was accompanied by both of his parents. Erik has had a strong interest in mathematics all through school. It was hard to tell if his interest there was stronger than music in which he plays piano and several horns. His specialty is the French horn. Erik plans to attend St. Thomas University specializing in Actuarial Science. He has a good chance of being successful in whatever he chooses with

his polished skill in speaking. He is a good communicator.

During the pandemic Erik had a lot of time to play and study music at home. He also did tutoring for friends in math, when the opportunity presented.

This is not a photo of last weeks' dinner, but close to it. The Eagle's Club had all but the relish on our plates. It was very tasty. This

was followed with a small slice of seasonal Pumpkin Pie. All was as the regular price of \$14. Not all members ate, but those of us who did, enjoyed it. If you haven't tried the meals there, you should.

Remember, we are meeting regularly at the Eagle's Club just north of Cub Foods. Our eating times are the same as before. The room is large, tables are variable and changeable. With a PA system, hearing is pretty good for all. All is for the \$14 which includes the meal, rent of the room and service. (Plus, the club gets an annual rebate of about \$1000) Come and join us. We have been having an average of 15 per week. If, for some reason you don't want the meal, you are free to order from their restaurant menu @ their listed price.
